HALLIDAY & BAILLIE MAGNETIC FLOOR MOUNT DOOR STOPS

HB760 is a tall square floor magnetic mount door stop that is specifically designed with special materials for exterior doors. Suitable for external applications where doors need to be held open. The magnetic door stop includes a keeper / steel catch. Note: This product can also come in a bronze finish, please contact us for more information.

Aluminium with stainless steel fixings, satin chrome finish

HB760

Same dimensions as the HB720 but this stop is 143mm tall to allow for step down onto lower tiles/decks or steps.

Measurements to note:

Height 148mm

Diameter 38mm

HB760
