HB 2300 SERIES SQUARE D PULLS

HB 2330, HB 2340

The classic D Pull shape has long been a "go to" option with the design savvy. The HB 2300 Square D Pull puts a contemporary twist on this old favourite. Square D Pulls come in 2 lengths and 4 finishes and are milled from solid brass.

All of the finishes available in this series are unlacquered and will age gracefully overtime.

Pulls come with a variety of fixing sets, along with a matching HB 2360 Knob. As with our round bar pulls the square series is shipped with an additional solid brass rose. Installation of the rose is optional depending on your aesthetic but it is recommended for use on soft wood doors.

Center to center length : 300mm & 600mm

Projection: 51mm

Available in selected finishes including Aged Brass, Polished Brass, Satin Brass, and Black Chrome.
