## HB 1575

### EXTRA LARGE OFFSET FLUSH PULL 510mm

The HB 1575 is a continuation of the flush pull story, and the largest in the Halliday + Baillie range. Its generous 510mm x 70mm size gives you the option of a flush finish on swing, pivot, bi-fold, or sliding doors on a grand scale. The increased finger grip provides efficient leverage for oversized doors. This pull is perfect for entry doors, and anywhere an aesthetic impact needs to be made while keeping a flush profile.

Available in both right and left-handed flush pulls – please specify handing for order.

Material : Milled Solid Brass  
 Dimensions : 510 x 70 x 17  
 Internal grip depth : 15mm

Suitable for large timber or aluminium doors.

Available in all standard Halliday + Baillie finishes. See finishes sheet for further details.

Left Hand Pull

Right Hand Pull

To be used with HB1510 Timber Fixing Kit on timber doors, sold separately.

Designed and manufactured in New Zealand. For more information, installation templates, and measured drawings of this product and others please visit : [www.hallidaybaillie.com](http://www.hallidaybaillie.com) or contact your authorized Halliday + Baillie dealer. All information subject to change.
