## HB 1920

### RECTANGULAR OFFSET PULL BLANK 9.84"

The Halliday + Baillie 1900 Series builds on our family of flush pulls. Designed specifically with oversized doors and movable walls in mind the matching HB 1930 pull with keyhole provides a seamless option for both locking and passage functions. With a deceptively low profile, this pull is equally at home on sliding, swing, pivot, or bi-fold doors. Each Flush Pull is shipped with one set of the HB 1510 Timber Fixing kits.

Available in both right and left-handed flush pulls – please specify handing for order.

Material : Diecast Zinc and Brass

Dimensions : 9.84" x 4.92" x 0.67"

Internal grip depth : 0.59"

Suitable for timber doors and movable walls with suitable sized lock blocks. Available in all standard Halliday + Baillie finishes. See finishes sheet for further details.
